

Dear Komarek families,

I hope you are having a great day! Our school is partnering with the IDPH and IEMA to host a COVID-19 vaccine clinic on Wednesday, January 19, 2022 from 5:00pm-8:00pm in the Komarek gym for staff, district families, and community members. The follow up clinic for people that need their 2nd shot will occur on Wednesday, February 9.

Per the IDPH, students who have completed the COVID-19 primary vaccine series and remain asymptomatic are exempted from quarantine when they are identified as a close contact to a person that tests positive COVID-19. This is advantageous because vaccinated students do not need to quarantine for 5 days.

Online registration is required, please click on the link below to secure an appointment time.

There are a few important things to note about this vaccination event:

- Online registration is required to get vaccinated - Fill out the link above.
- The vaccine clinic will be held in the Komarek gym which is in the east building or district office side of the campus.
- Please plan to arrive 15 minutes before your appointment.
- Plan to wait in the seating area AFTER your vaccine for 15 minutes.
- See the attached flier for additional information.

Please feel free to contact me if you have any questions.

Sincerely,

Dr. Todd Fitzgerald

Superintendent, Komarek School District 94
